European Scout Committee
Record of Key Decisions – November 2026

Following its fourth business meeting held in November 2026, the European Scout Committee:

- Appointed Sophie Spickenbom (DE) as the team leader of the Peace Education team and Fabien Michaux (BE), Leonard LY TRI (FR) and Ana Stajkovic (RS) as members of the Peace Summit Team.

- Approved a co-funding commitment of up to 10% of the total budget for the CERV–Daphne application, distributed across three financial cycles, to strengthen the Safe from Harm area and enhance support to NSOs in developing their safeguarding capacity and practices.

- Reviewed developments in regional membership and progress in Membership Development, endorsed the proposed long-term approach to support sustainable membership growth, and supported the direction for continued resource mobilisation and partnership development to strengthen targeted support to National Scout Organizations.

- Approved the Terms of Reference for the Safe from Harm Committee Oversight role, a comprehensive RASCI framework and an Organisational Overview Safe from Harm Framework for the European Scout Region.

- Approved the establishment of the Safe from Harm Culture and Knowledge-Sharing Task Force and its Terms of Reference.

- Acknowledged the provisional Fiscal Year 2025–2026 financial result and decided to allocate the final operating surplus to accumulated unrestricted funds and to strengthen the European Investment Fund through a transfer from unrestricted funds, subject to confirmation of sufficient liquidity and existing commitments.
