Dear Friends,

**Re: AFRICA SCOUT REGION WORKSTREAMS 2022-2025**

Following their endorsement by the Africa Scout Committee, I pleased to share with you the attached Africa Scout Region Workstreams 2022-2025.

The regional Work stream Groups are established by the Africa Scout Committee to Coordinate the overall work in the areas under their respective scope, ensuring a holistic approach to it towards the attainment of the objectives of the triennium.

Each regional workstream is intended to provide the Africa Scout Committee with advice and relevant data on issues related to that work stream and ensure the connection and a level of coherence with the work previously done at the regional level and one being carried out at the World level. It will primarily implement the part of the triennium plan 2022-2025 which falls under the scope of that Work stream in conjunction with other volunteer organs such as the WOSM Consultants.

In this respect, we are also happy to introduce to you the members of the Regional workstreams for the triennium 2022-2025 as per the attached document. This is in recognition of their competencies in the respective areas of work.

For any further information on the same, please contact our colleague Jonathan Omondi, Director, Scouting Development, at [jomondi@scout.org](mailto:jomondi@scout.org).

Yours in Scouting,

Frederic Tutu Kama-Kama  
Regional Director
