### **15<sup>TH</sup> ALL AFRICA SCOUT DAY 2025 CELEBRATIONS - MADAGASCAR**

Following the resolution (CM Res 1607 (LXII)) of the Council of Ministers of the then Organization of African Unity (OAU) – now African Union (AU), meeting in its Sixty-Second Ordinary Session in Addis Ababa, from 21st to 23rd June 1995, to set aside the 13<sup>th</sup> March as the Africa Scout Day, Scouts and Scouters throughout the region have been celebrating this day to **take stock of the achievements of Scouting and building partnerships for more social impact in Africa.**

In September 2010, the Africa Regional Scout Committee resolved to give the Africa Scout Day celebration a regional outlook, by assigning a National Scouting Organization to host the main celebration; where Scouts and Scouters meet, along with their partners, to showcase their achievements and promote the “spirit of world kinship, cooperation and mutual assistance amongst Scout Organizations within the Region” (WOSM Constitution, Article XXI.1.A).

Therefore, the 15<sup>th</sup> Africa Scout Day 2025 will be hosted by the **Firaisan'ny Skotisma eto Madagasikara**, from **13<sup>th</sup> to 16<sup>th</sup> March 2024** in **Madagascar** under the theme **"Shaping the Life You Lead"**, focusing on empowering young people to take active responsibility for their own lives and to become positive agents of change in their communities. This is not just a celebration but a catalyst for meaningful change. This event aims to inspire a generation of young Africans who are prepared to shape their own lives and, by extension, shape the future of Africa itself. Together, through Scouting, we can help realize the vision of a prosperous, inclusive, and sustainable Africa.

The event will bring together Scouts from different countries in Africa and beyond for a 4-days camp; during which they will undertake numerous learning, fun and community service activities. The participants will pay **Seventy Dollars (USD 70)** as the **participation fee** and everyone is advised to carry their own camping gear as accommodation will be in tents.

While the All Africa Scout Day celebration is open to all Scouts and Scouters from all over Africa as well as to partners from across the world, it is recommended that participants from outside Madagascar be at least 14 years old.
