We have been well informed about the purpose, principles and obligations of the hosting a regional event.

We had organized a special Board/Committee/Assembly meeting and have decided to introduce our candidature for hosting the below event(s).

We are considering the following tentative dates and venues for these events. We understand that the final dates will be agreed between the selected host and the Africa Scout Committee.

	Africa Scout Day 2027	Africa Scout Day 2028	Africa Scout Day 2029	3rd Africa Scout Moot 2030
Dates				
Venue				
Town/City				
Closest International Airport				
Distance to Event Venue				

We have discussed and have obtained the approval of our line Ministry. We have full backing of our government.

We understand and commit to fully cater for the budget associated with hosting this/these event/s.

We certify also that the Event Centre will be close to the accommodation centres and/or selected hostels.

Find enclosed the agreement of the Government certifying that all national delegates will obtain a visa for entry and stay in the country during the event.

We invite the World Scout Bureau Africa Support Centre (WSB-Africa) to visit us to survey the proposed venue(s) and discuss the criteria for our bid, to ensure that it conforms to WOSM requirements and is viable from an operational and financial standpoint. Costs of the meeting will be met by us (inviting/bidding NSO).

We will write a feasibility report based on a technical questionnaire in order to complement the preliminary visit of the WSB-Africa.

We understand that a review of the feasibility report will be presented by the WSB-ARO to the Africa Scout Committee (ASC).

The ASC will then determine if the bid fulfills the necessary requirements and therefore qualifies for submission as a formal invitation to be voted upon at the 19th Africa Scout Conference in Antananarivo, Madagascar (18-21 September 2025).
