Circular N° 15/2015

To: International Commissioners

June 2015

Appointments to Work Streams, Task Forces and Standing Committees of the World Scout Committee

Dear Friends in Scouting,

As you recall from Circulars N° 42/2014 and N° 9/2015, the World Scout Committee has approved an ambitious Triennial Plan for the Triennium 2014-2017 and has henceforth set up an operational framework to ensure its implementation. Within this framework, a number of working groups have been agreed upon to carry out the work:

- **4 Work Streams**, which carry out the main areas of work defined by the Committee
- **3 Task Forces**, which have been assigned a very specific focus, remit and deliverables
- **4 Standing Committees**, which facilitate the overall governance processes in WOSM
- **A Strategy Monitoring Group**, tasked with measuring the overall progress of WOSM towards the Strategy for Scouting approved at the Slovenia Conference

An overview of objectives for each group as well as Key Performance Indicators (KPIs) can be found in the Triennial Plan. For your reference we have included the "operational framework" chart of the World Scout Committee for the current Triennium in annex, which was included in the Triennial Plan publication.

You will also remember that the World Scout Committee launched an Open Call in September 2014 through Circular N° 33/2014 to find interested volunteers to contribute to these working groups. Although the appointment process is an ongoing effort - as specific areas of work are completed and others are initiated as the Triennium progresses - the large majority has now been completed.

I am therefore happy to provide you in annex with an overview of all appointments to date, which will be valid until the end of the Triennium providing a positive review after being in position for one year. As the list will change over time, an updated online version will be continuously available during this Triennium on <http://www.scout.org/governance> (scroll down to "Working Groups and Subcommittees" and you will find the link).

Should you have any questions regarding one of these groups or their respective appointments, do not hesitate to contact the World Scout Bureau.

Yours in Scouting,

Scott A. Teare
Secretary General, WOSM
